

# What to Expect

Your day will be different to normal and will be lots of fun.

My name is Nicola and I will run the Play in the Past incursion at your school.

One the day of the incursion, your day will run differently. The incursion may happen in a different room to your classroom.

The room of the incursion will look different too.

It will have lots of old items on tables.

First, you will sit on the mat as I teach you about the past.

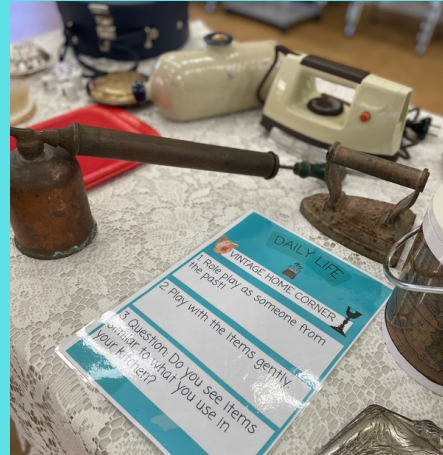

# What to Expect

Play with the items gently. It might get noisy.

You will rotate through 4 stations in your group.

1. Telephones and the old fashioned classroom.

2. Vintage home corner and dress ups.

3. Toys and books.

4. Technology and typing.
